Low-Mid B&W Model 40,000 Units Sales

We are highly grateful to announce such wonderful achievement. Please be advised that KIP Low-Mid Volume B&W Model such as KIP7170 has reached 40,000 units sales in the world since the first model was released in the market in 2006. KIP success is mainly due to your support. We will keep to propose new product for more user-friendly, higher efficiency and higher productivity for customer.

Thank you for your kind attention and great support.

Sincerely Yours,

Katsuragawa Electric CO., LTD.
